Mr. William Maloney -

Words can barely express our gratitude to the 173d Air Bde Association for your most generous donation to our Lowell Chapter of the Gold Star Wives of America. Be assured, this gift will be used to help the Greater

Lowell vets in nursing homes, rehab homes and those vets less fortunate. We have usually 5 or 6 Pizza Parties for these vets each year, and this is so very rewarding. Holding an elder vets hand when he thinks you his wife, comforting another crying because of his pain or dementia, cutting their food & even feeding them - that's our greatest pleasure to honor these forgotten vets.
