

We Support our Troops

Our Troops are but a few short weeks away from again being in harms way. What can we as past Sky Soldiers do to make their deployment a little easier, a little brighter, and provide them the knowledge that we care.

It is time to start our plan of attack on how our support will transpire. We are again supporting Chosen Company 2/503rd. Each of these men is our brother, regardless of their geographical home of record. Each bead of sweat, or drop or blood impacts us.

Afghanistan is an inhospitable place, freezing mountains, snow, mud and sand. A far different war that we were in. Their emotions, thoughts of home and their loved ones will be the same as ours were.

The Chapter will begin now attempting to get emails of families and troopers. An email or letter can, as we all know, bring a smile to someone's face. We will address this issue as a Chapter and provide as much information as we can to you as soon as possible.

Another way we can help is "Care Packages". Remember cookies and Kool Aid? The same thing applies today. They need to be connected to us back home. Who knows what the impact of a letter, email or package can bring.

Those of us associated with businesses or companies, what can you do? We will need drop-off points. Also keep in mind that we are a 501 C Not for Profit Organization. Does our Company have something that can be donated to the troops? Each dollar received that is earmarked "for the troops" will be spent in their support. In each newsletter we will post the status, level of support.

There is no greater purpose for our Chapter or any other Chapter than the supporting of our warriors. It is time for our Chapter to step up and show that we do in fact, Support our Troops!

More information will be sent as we progress.

More information contact Fred Lewis flew851507@comcast.net.

These are some of the items that we would like to ship downrange.
